

## Ingenix Selects Precision HealthCare As Partner for Coding Tools and Books

*By Precision HealthCare Consultants*

*Dated: Dec 28, 2010*

*Precision adds Ingenix leading coding solutions to complete their product line to healthcare providers, administrators, coders and billers.*

Vanessa Best, president of Precision Healthcare is proud to announce the receipt of notification from Ingenix that Precision ([www.precisionhcc.com](http://www.precisionhcc.com)) has been selected as a selected partner. Ingenix ([www.ingenix.com](http://www.ingenix.com)) is an industry leader in producing Medical Billing and Medical Coding books for doctors offices, hospitals and independent medical billers.

"Adding the Ingenix product line with out suite of software and ancillary marketing & credentialing services is a solid strategic alliance. The partnership provides our clients with the support tools needed for their practice at one stop!" says Vanessa Best CCS-P, CPC. Precision will offer coding books including ICD9, CPT and ICD10 online at [www.precisionhcc.com](http://www.precisionhcc.com).

"The new ICD-10 mapping and implementation books will be an excellent supplement to our ICD10 and ANSI5010 Webinars and Seminars scheduled for 2011" adds Ms. Best.

As we continue to offer solutions to help our clients meet the challenges and changes in the healthcare industry, we are thrilled to be selected as a partner with a premier leader such as Ingenix.
